"The Writing Center always allows me to see my papers from a different self-analytical perspective, and I have definitely seen an improvement in my planning and writing, which in turn show in my grades."

"I liked that we were able to talk things out and think about the big-picture, instead of focusing on simply proofreading."

**The Writing Center**

**FACE-TO-FACE SUPPORT**
Individual coaching appointments that engage students in a thoughtful analysis of their writing choices and contexts

(ACADEMIC ENGAGEMENT)
